SAYINGS THAT DON'T WORK ANY MORE.....

On more than one occasion, I remember misbehaving and being sent to my room in our southern Idaho farmhouse to think things over. I also remember my older brother, Bobby, chortling with glee to anyone who'd listen, "Boy, Marty's in the doghouse now!"

Bring "in the doghouse" meant you were in trouble. Big trouble. It meant you were, at least theoretically, tossed from the house, physically banished to the backyard and emotionally chained up.

But now that I have children and the opportunity to use the same phrase that's been seared into my consciousness (also onto my rear end, from a few swats!), I find that "being in the doghouse" has absolutely no meaning for my kids.

Why? Because they think of a doghouse not as some cramped, creepy, coal weekend project of a building tucked away in the backyard, but as our house. A combination for both humans and dogs with four bedrooms, four baths, a widescreen TV and a spa. And they're not alone in this: Go to any pet industry trade show and the booths hawking indoor beds for dogs far outnumber those selling outdoor doghouses.

When I was young, pets lived outside. Today, people and pets alike think of our house as a home for all.

My wife can't threaten to "treat me like a dog," either - another phrase I heard as a kid. I'd love to be treated like a dog at our house. It means hearing baby talk, being cuddled, tickled, tempted with treats, given the best spot on the couch, getting to sleep without interruption through the night and most of the day as well.

I wonder if our dogs think it's a "human-eat-human" world out there?

COUNTRY POINT SCORE competition for 2008

Members of the DAQ residing in Queensland and 100km or more from the Brisbane GPO are eligible to compete in the Country Point Score. Up to six of the best results won at Championship Shows for the 1st January until 31st December, 2007 will count for this competition. All shows to be counted must be held within Queensland and comply with the boundaries as defined below.

The "Six Best Show Results" and must include FULL breed results to be forwarded to the Point Score Keeper by the 31st January, 2008. Progressive results may be sent before hand or all at once.

Country shows eligible are all those outside the Brisbane area and the Brisbane area is defined as follows:- North to the Sunshine Coast Kennel Club, South to the Gold Coast Kennel Club, West to Toowoomba, but not including Toowoomba.

The provisional winner for each category will be announced at the General Meeting following the 2008 AGM and published in the following issue of the Dally Digest. If there are no discrepancies or correspondence received from other competitors regarding these results—the nominated winners will stand.

To be eligible as a competitor, all Rules pertaining to the competition must be complied with. However, it is not necessary to have competed in 6 shows to be eligible for a trophy, only that all best results up to a total of 6 be submitted.

COUNTRY AWARDS

The Awards for this competition are:-

1. Best Country Dog, 2. Best Country Bitch, 3. Best Country Puppy, 4. Best Country Baby Puppy.

BEST COUNTRY DOG(1)/ BITCH (2)

The only points for (1) Best Dog and (2) Best Bitch as each show can come for the following:-

BEST OF BREED—10 points, Challenge-8 points, Reserve Challenge-4 points, BEST IN GROUP-3 points, Reserve in Group-2 points, Class in Group-1 point, BEST IN SHOW-3 points, Reserve in Show-2 points, Class in Show-1 point. The highest score attainable is 16 points, being (10) for BOB, (3) for BIG and (3) for BIS. There is no accumulation of points from class in Group/ Show.

COUNT BACK SYSTEM

In the case of a tied score at the end of year, from the six shows submitted by two or more (1) Best Country Dog or (2) Best Country Bitch, Number of Best of Breeds, Number of Runner Up to BOB, Number of Challenges, Number of Reserve Challenges, Number of Challenge Points attained at the six shows submitted.

BEST COUNTRY PUPPY (3)

This competition is open to puppies (six to twelve months) combining results from Puppy (3/3a) and Minor Puppy Class (2/2a).

Point Scoring: Allocation of points are in the following way:-

If there are three or more exhibits competing in the class (3/3a or 2/2a)), First in Class-3 points, Second in Class-2 points, Third in Class-1 point.

If there are only 2 competing in the class, the points will be reduced by one; First in Class-2 points, Second in Class-1 point, and if there is only one puppy entered in the class; First in Class-1 point.

Points for Puppy Class Entry of Breed and Minor Puppy Class Entry of Breed are determined by that winner being awarded 1 more point than the highest scoring exhibit in that class's elimination (including itself).

COUNT BACK SYSTEM

In the event of a tie (and only then) those entrants who have been awarded BEST OF BREED (or BEST IN GROUP or BEST IN SHOW) and at which show there has been older class winners shown on the day, may accumulate a further 1 point for each award. If none of these three placements apply, then the competitor with the greatest number of Puppy C/E of Breed would be the winner.

BEST OF BREED cannot be counted (except in the event of a count back) for Country Puppy as this would mean it is then eligible for Best Country Dog or Bitch.

BEST COUNTRY BABY (4)

Point Scoring:- Allocation of points are in the following way:-

If there are three or more exhibits competing in that class (1/1a) First in Class-3 points, Second in Class-2 points, Third in Class-1 point.

If there are only 2 competing in the class, the points will be reduced by one; First in Class-2 points, Second in Class-1 point and if there is only one baby entered in the class; First in Class-1 point.

Points for Baby of Breed are determined by that winner being awarded 1 more point than the highest scoring exhibit in that class's elimination (including itself).

Additional points are gained if the Baby of Breed goes on to win Baby of Group-1 point, Baby of Show-1 point

COUNT BACK SYSTEM

Number of Baby of Breed, Number of Baby in Group, Number of Baby in Show.

CITY POINT SCORE competition for 2008

CITY OPEN POINT SCORE

This competition is open to all "City" Members Dalmatians until they gain their title of Australian Champion, i.e. all Open Show results per year up until qualifying as a "Champion" can be counted.

The scoring system is the same as for the Country Point Score Country Dog/ Bitch, but with the addition of points for class placings, Group and Show awards. All these points will be cumulative. E.g. Best of Breed, Reserve in Group =10 points, (from best of breed) + 3 points, (from 1st in class of 3 dogs) + 2 points, (from reserve in group) + 1 point, (from class in group if applicable) = 16 points TOTAL.

Urgent Notice: Potential Danger of Dog Hair.....

In a press release today, the National Institute of Health has announced the discovery of a potentially dangerous substance in the hair of dogs. This substance, called "amobacter caninii" has been linked with the following symptoms in females: Reluctance to cook, clean or do housework, a reluctance to wear make-up, good clothes or high heels. Reluctance to spend money on home or car repairs until after 'Baby' has new collars, leashes, beds, treats, food, blankets or toys.

"Amobacter caninii" usually results in long hours away from home and exhaustion which may lead to a loss of physical contact with other humans (especially husbands and boyfriends). "Amobacter caninii" is thought to be addictive, driving the need for additional sources - this may lead to a "pack mentality" or like the potato chip commercial, "you can't have just one". Beware! If you come in contact with a female human infected by this substance, be prepared to talk about dogs for hours.

Surgeon General's Warning: Dogs are expensive, addictive, and may impair the ability to use common sense.

Don't accept your dog's admiration as conclusive evidence that you are wonderful

Editor's Spot

Well the end is drawing near for 2009 and I am wondering to myself, what happened to all those days? The planned excursions to the Art Gallery, or gardening when the weather was cool or days to just relax by the pool. OK, now I remember..... I went to dog shows or dog obedience classes. I really have to wonder what people without dogs actually do with their lives. Do they actually enjoy all those pastimes that our lovely State provides or do they just stay at home and to the ironing? I'm hoping the latter because I'll never be jealous of them!! But what is it that takes me to dog shows & obedience classes every week-end? Well not for lack of alternatives, but for the love of spending time with my dear dalmatians and the friends I have picked up along my journey. So to all those friends, I hope to catch up with you again soon to enjoy our favourite pastime.

Till next month *Julie*
